THULE HULL-A-PORT AERO

Thule Hull-a-Port Aero

849

Innovative kayak carrier that is safe, stylish, easy to use and integrates seamlessly with Thule roof rack systems.

1. Quickly raise upright or fold when not in use upright using the convenient front release handle
2. It fits to Thule WingBar T-track via the integrated, tool-free mounting hardware and fits Thule SquareBar with adapter (sold separately)
3. Kayaks are protected during transit due to the durable and soft rubber padding
4. Theft resistant design keeps carrier securely attached to load bars (Locks included)
5. Easily manage load straps while strapping down the kayak using the integrated StrapCatch
6. Load straps with buckle bumpers and bow and stern tie downs are included
