Towbar-mounted car tent

The Thule Outset towbar-mounted tent will elevate your outdoor experience and offer unparalleled comfort, ease of use, and great accessibility.

1. The tent can be setup and broken down in under 5 minutes, simply unfold the tent and set up the rain cover
2. Choose to deploy the tent from your vehicle or detach it if you want to use your vehicle but keep your camp setup
3. The spacious interior lets you sit up inside tent, great for comfortably hanging out with friends and family
4. Comfortable 7cm mattress provides premium comfort and can be simply left inside the tent when you're ready to break down your camp and leave
5. Wheels on the tent allow one person to easily roll it to your vehicle and the intuitive installation system makes it easy to install on your towbar
6. Its low height ensures easy access for children, seniors, and pets
7. The elevated platform keeps you off the dirty, muddy, rocky ground
8. The position at the back of your car makes Thule Outset a great option if you don't want to carry anything on the roof of your vehicle. Its aerodynamic position also means little to no impact on fuel economy or battery range
9. Tent locks to car or can be locked when not attached to car in camp
10. Tent tilts so you have access to the trunk
