THULE SNOWPACK EXTENDER BLACK

Thule SnowPack Extender Black
7325B

Aerodynamic slide-out rack for convenient loading and unloading of skis and snowboards.

1. Extendable for easy loading and unloading, without having to stretch over the car roof
2. Rooftop rack designed to carry all types of skis and snowboards
3. Holds skis and snowboards securely with ultra-soft rubber arms that grip without scratching the surfaces
4. Easy to open and close while wearing gloves thanks to oversized push buttons
5. Added roof clearance for skis with tall bindings thanks to raised design
6. Lock the skis to the rack, and the rack to the car, with the Thule One-Key system (locks included)
7. Fits directly into the load bars' T-tracks via the integrated mounting hardware (square bar mounting kit available as an accessory)
8. Meets stringent safety standards (City Crash test and TÜV-approved)
